

MINUTES OF THE COTTONWOOD HEIGHTS HISTORIC COMMITTEE

WEDNESDAY, FEBRUARY 8TH, 2017, AT 6:00 P.M.

CITY HALL

MEMBERS PRESENT: Gayle Conger, Joyce Wilson, Don Antczak, Carol Woodside, Sylvia Orton

MEMBERS EXCUSED: Melinda Hortin, Jerri Harwell

MEMBERS NOT PRESENT: Max Evans, Gene Whiting, Bev Lund

OTHERS EXCUSED: Mike Peterson, City Councilman

Meeting began late at 6:15 P.M. In the absence of Max Evans, Chairman, Gayle Conger, Vice Chair welcomed the committee members who were present. She indicated that Mike Peterson, our City Councilman, is out of town.

Ms. Conger reported that the grant she has been working on has been submitted and received. The grant was for \$9,600.00, with matching funds from the City. We will know by the end of March if we are successful in obtaining the funds.

As far as an update on the history book, Mr. Allen has reported to Ms. Conger, his 250 page draft has been expanded to 335 and growing. The new information he is including is very interesting and will add depth to the book. He would like to know if we have any names of people he might interview. Beverly Gotberg was suggested.

Ms. Conger also mentioned that the committee needed to go to the maps section of the City's website. There is a 1940 aerial map with Google overlays. This map also shows the original landowners within the City limits.

Sylvia Orton suggested that this be in our Butlerville Days display. We could set up large screens with laptops. We could advertise this would be available at our tent and have large banners around directing people to our display to use this interactive activity.

Meeting adjourned at 6:30 P.M.
